Dear XXXXXXXX

Further to your application to increase the operating efficiency of your existing pool filtration system with the Riva New Wave Pool Filtration Upgrade Program, please find below our contract offer for your consideration.

Equipment to Finance
<i>Riva New Wave Pool Filtration Upgrade Program (see full specification sheet)</i>

How your Organisation will Benefit:

Immediately Return on Investment – You can upgrade today and your business can enjoy the advantages with real cash benefits right from the start.	You Can Achieve CO₂ Reduction Targets - without affecting your revenue.
Tax Advantages – Enjoy 100% tax allowances on every monthly payment (non-sovereign). Each payment being fully offset against corporation tax.	Your Business Gains from the Latest Technologies – Without the need to invest capital to achieve this.
Pay Gradually in Instalments – You can retain maximum liquidity in your organisation, so you can gain interest, or invest in your core business.	Your Building is Enhanced & Modernised – It’s value as a capital asset is increased and will attract higher sell-on or rental value as a result.
Protect Your Existing Lines of Credit - Credit lines are difficult enough to secure during these difficult economic times.	Can Enable Lower ‘Sign-Off’ Authority – Because this now becomes a Revenue Spend rather than a Capital Spend it can speed up the decision-making process.
You Can Afford to Carry Out Additional Projects - Now or during the contract term, because you’ve spread your costs and the monthly savings are adding up.	Leasing Offers a New Line of Credit – This can incorporate many benefits by providing a valuable new line of credit for other developments within your business when necessary.
